

1 **Calendar/Events Linked To Sign Up:** Because EXCLUSIVE is a membership based application the links and pages the user has access to in the Calendar/Events section will will change. For instance, if the user does not have a personal user login they will only be able to see a general calendar of events and will not be able to create an appointment.

2 Each user will be presented with the chance to Login or Sign Up for an account. From here they will be able to explore features, update their profile, upload and download documents and set and pay for appointments.

3 Three custom forms are included with with the EXCLUSIVE product offering and can be used for multiple purposes including a custom contact form, collecting info from visitors and uploading specific sign up criteria.
